ORDER:

This writ petition is filed seeking writ of Mandamus to declare the action of the first respondent in relieving the petitioner from 15.06.2006 to North Sector, even before considering and disposing of her representation dated 13.03.2006, as illegal and arbitrary and to consequently direct the respondents to retain her at Hyderabad in any one of the CISF Units or to transfer her to the same unit where her husband is working.

It is submitted by the learned counsel for the petitioner that the petitioner has questioned the impugned order on the ground that even before considering her representation, she is directed to join at the new station. But, however, the learned counsel himself has stated that considering the representation of the petitioner, the petitioner and her husband both are posted in the North sector in Delhi.

In view of the same, I do not find any merit in the writ petition for admission. It is submitted by the learned counsel for the petitioner that admission of the petitioner's child at Delhi is a difficult task. However, as the request of the petitioner is considered for transfer, she can make an application for admission in view of the revised orders issued by the respondents.

Subject to the above direction, the writ petition is dismissed. No order as to costs.
